To Whom It May Concern:

I am writing this letter to recommend Josh Lewis to your ministry team. I have personally known and been associated with Josh for over 10 years. Recently, he served as the Youth and Associate Pastor, here at Oasis. So, it is with absolute confidence and tremendous respect that I am able to recommend Josh for any future ministry and/or employment which he may seek.

Josh has so many outstanding qualities that it would literally take all day to name them all. But here are a few that quickly come to mind:

## 1. Leadership

Josh is a born leader. The bible says that *Saul stood head and shoulders above anyone else*. (I Sam 10:23). There are no truer words that could be attributed to Josh Lewis. I knew him when he was starting out in Bible school and even then, you could discern that there was something different about Josh.

The success behind Josh's leadership abilities is the fact that he is a man with great character, honor, and integrity.

## 2. Knowledgeable

Where do I start? In my 25 years of ministry, I have met many ministers with a lot of "biblical knowledge" but very few who had the ability to couple that knowledge with humility. That is Josh Lewis. God has blessed him with wisdom, revelation and biblical understanding. But he never uses it to lift up or draw attention to himself but rather to inspire the greater body of Christ.

I love the attention he gives to the word as well as his ability to draw out the meaning behind the word of God.

He is also a gifted orator, teacher and preacher. He was indeed our resident theologian.

### 3. Talented

He has more talents than I can name.

- Church planting strategies
  - He helped to double our congregation in one year
- Media and Graphics
  - Josh is a great graphic and web designer. All of the materials we used for marketing were designed by Josh. He is one of the most creative ministers I have ever met.
  - Josh launched Remnant Radio while at Oasis. An exciting internet radio program that focuses on theology, application of church doctrine and many other topics.
  - Remnant Radio is just another example of Josh's ability to catch a vision and bring it to fruition.
- Youth Leader
  - If there is one word to sum up his ministry goal, that word would be **Discipleship**. Josh loves to disciple those that disciple others. By far this is where Josh shines. If you are looking for someone who can lead others to lead others – look no further.

### 4. Shepherd

Josh is a Shepherd after God's own heart. He cares, watches, and protects those he has been given the responsibility over.

I not only recommend Josh to you, but I commend him for his faithfulness to the ministry call and various assignments the Lord has given him over the years.

Again, I can say with confidence, that you will find Josh Lewis and his family to be an amazing blessing to you and your ministry/congregation.
