To Whom It May Concern:

Please accept this letter as written recommendation on behalf of Joshua Lewis, a man of God that I have known and worked in close relationship with since 2008. I've had a close pastoral and personal relationship with him and his wife Jocie since the beginning of their marriage. I know this couple to be dedicated to sharing the gospel of Jesus Christ and eager to serve Him wholeheartedly.

Joshua and his family served with me for several years in St. Elmo Illinois, where I served as Senior Pastor. Josh also travelled with me extensively and helped establish our evangelistic ministry. He has been involved with high level leadership, leading youth ministry, leading outreach events for other churches and our own, street evangelism, and outreach efforts through Christ for the Nations institute. He also shared preaching duties from the pulpit, home groups and much more. He has proven highly skilled in graphic and web design. I have watched him function as a tremendous priest of the home in leading his family well. His wife and children are also an incredible asset to the kingdom of God.

A great asset to the Body of Christ, Josh and Jocie both have a heart to minister to and I can confidently recommend them, and should you have any questions, please contact by email or phone:
